55" class

H8 Series 4K ULTRA HD SMART TV

Model # 55H8050D

I'm so next-level

Keep your eyes on the size. With a huge screen, sleek, superslim design, a high-resolution picture, crisp sound and intuitive menu navigation, the **H8 Series 4K UHD HDR Smart TV** will earn you major bragging rights. Personalize your experience with tons of built-in apps like Netflix, VUDU and Pandora, or surf the internet with the built-in web browser. Upgrading your home? Ha! We know how you love TV—this is more like upgrading your life.

High Dynamic Range (HDR)

What do you get when you combine 4K resolution (8.3 million pixels) with *HDR technology that displays a vibrant picture? You get crystal-clear images that have greater depth and appear so real you'll want to reach out and touch them.

Multizone local dimming backlight

LEDs on the back of your TV turn off while others stay lit across numerous areas thanks to Multizone local dimming. When you're watching that horror or action movie, you'll sit up and take notice to the contrast in the dark and light areas of scenes.

Motion Rate

Enjoy the high-speed sports, games or movies without being distracted by blurred images. Motion Rate technology helps to deliver the best picture possible and make you a happy viewer.

*HDR viewing experience will vary by model, content availability and internet connection.

Popular, built-in apps

Can't get enough of Netflix or Facebook? No worries. All your favorite apps are pre-installed and ready for some serious binge time.

Award-winning digital audio technology

Let the award-winning sound, integrated by dbx-tv®, carry you away. You'll hear every detail in the background of your favorite movie and experience it differently.

Numerous inputs

We made it easy to connect external devices with multiple ports. This TV comes with 4 HDMI, 3 USB terminals and much more.
