Hisense 4K ULTRA HD Commercial TV

Model # 55U1600

U1600 Series 55" Class (54.6" Diag.) Direct-Lit 4K UHD Display

Engage viewers with striking 4K Ultra HD picture quality. Hisense commercial displays are ideal for use in all indoor digital signage and large format display applications. The displays come with a specialized custom installation menu for easy configuration of industry-specific features.

4K Ultra HD

3840x2160 resolution with UHD Upscaler delivers amazing detail and 10-bit color depth provides 1.07 billion colors and hues. HDR10-compatible.

Custom Install Menu

Bidirectional serial control and status, discrete IR support with pass-through and content control with function lockout are just a few of the most sought after industry specific features you'll find in the specialized menu.

Robust Connectivity

Four HDMI: 2 v2.0a with HDCP 2.2 + 2 v1.4 with HDCP 2.0, VGA and shared YPbPr / CVBS video inputs. Two USB ports: 1 v3.0 + 1 v2.0, digital and analog audio outputs. Built-in Wi-Fi and Ethernet.

NTSC/ATSC/Clear QAM Tuner

Integrated TV Tuner allows for reception of high definition broadcasts

Integrated 4K Media Player

Play videos and music or display static images and photos from USB, LAN or the Cloud. B2B signage mode supports autostart of media player with USB content from AC-input or Power-on..

Built-in Speakers

20-watt (2x10) amplifier and stereo speakers with dbx-tv audio processing. Volume range can be set or locked. Supports HDMI-ARC connection.

Superior Display Technology

16:9 aspect ratio, quick response time, wide viewing angle, high brightness, dynamic contrast and motion processing for best-in-class performance. Pixel shifting algorithm prevents LCD burn-in of static images such as menu boards.

Reliability and Service

18/7 duty cycle, 3-Year limited commercial Warranty and unlimited specialized B2B customer support.

About Hisense

Hisense is a multinational consumer electronics manufacturer and one of the largest TV brands in the world. The company was established in 1969 in Qingdao, China and its US headquarters are located in Suwanee, GA.

Holding the #3 TV share position globally* and #1 TV share position in China for 13 consecutive years, Hisense offers an innovative range of technology products that provide significant value to consumers.

Hisense products, including TVs, refrigerators, air conditioners, dehumidifiers, beverage coolers and freezers, are available globally in over 130 countries and regions.

The Company is committed to advancing the commercial display industry across North America and has dedicated R&D centers in Atlanta, GA; San Jose, CA; and Toronto, Canada to enable localized product development and innovation.
