Hisense 2.1 Ch Soundbar
with wireless subwoofer

MODEL HS218

Television's best match

The Hisense HS218 2.1 Channel Soundbar creates incredible sound in a compact and sleek form factor. The wireless subwoofer ensures that you'll hear and feel every "boom" your entertainment content can throw at it. The HS218 is also a Roku TV Ready soundbar. Using the HDMI (ARC) connection, you can control both your Roku Tv and the soundbar with the Roku Tv remote. Big sound that delivers a huge entertainment experience.

Enjoy Better Tv Sound

Easy to place and connect to your television, the Hisense H218 soundbar significantly improves your TV entertainment experience and is perfect for TV's 32" or larger. Instead of just hearing the scene, you're transported into it.

Easy Connectivity

With HDMI (ARC), the Hisense HS218 can connect to your Tv through a single HDMI cable (included), connect wirelessly via Bluetooth, and control both with one remote. You'll be enjoying better TV sound in minutes.

Quick Touch EQ Modes

Get the best audio performance from music, movies, and news with a simple touch of the remote with multiple preset EQ settings.

Simple, Compact Design

The compact and elegant all-in-one design with built-in subwoofer will easily fit your living room, bedroom, or family room space. You won't need to find a space for a big sub and still get big sound.

Wireless Subwoofer

A dedicated, wireless subwoofer delivers the robust low-end frequencies that punctuate your favorite movies, music, and games, without any messy wires. You'll feel the "boom" while the two front-facing speakers project bright, clear high- and mid-range frequencies.

Wireless Music Streaming

The HS218 includes Bluetooth technology for easy wireless connections to smart device. Enjoy music from your smartphone, tablet or laptop.

Roku TV Ready

As Roku TV Ready device, the Hisense HS218 Soundbar is fully compatible with any Roku Tv through the HDMI (ARC) connection. You can even use the Roku Tv remote to control both the Tv and soundbar for easier setup and better navigation experience.

Accessories included

Everything you need to get started. We've included an HDMI cable, optical cable, and a wall mounting kit to make sure that you have what you need to make the most of your Hisense audio experience right out of the box.
