Model HMO173SR

- Sensor cooking allows for more precise cooking at just a touch of a button for pizza, popcorn and veggie- just to name a few
- Multi-stage cooking allows you to program power levels and cooking time in advance, customizing your MicroVAXes to your personal needs
- 300cf venting system doubles as a hood offering two fan speeds, high/low
- Cooktop lighting so you can keep an eye on what's cooking below, or works as a nightlight in the kitchen
- Fingerprint resistant stainless steel keeps it shiny and new
- Child safety lock so you can lock the keypad and prevent the oven from accidentally being started by a child
- Big bowls and casserole dishes are not an issue with our XL glass turntable

Hisense 1.7 cu ft 1000 Watt over the range microwave oven comes with 7 sensor cooking options for pizza, potato reheat, popcorn and more. Our multi-stage cooking option allows you to program your power level and cooking times in advance so you can customize the microwave to your cooking needs.
