

- Low-noise cooling system
- Remote control is included
- 2-year warranty
- 3 modes – cool, dehumidify, fan
- Compact size
- Drain-free operation
- Snap-assembly window kit

The Hisense AP0621CR1W Ultra-Slim Portable Air Conditioner can be placed in smaller rooms and is easy to install with the included snap-assembly window kit, for windows 18” to 50” wide.

Because the unit isn’t installed in the window, the external appearance of your home is preserved.

Airflow is strong and quiet, with a noise level of only 49 dB. This Hisense portable air conditioner cools, dehumidifies, also functions in fan mode.
