Smart Technology provides convenient control from anywhere

The Hisense AP1021CW1G Smart Control Portable Air Conditioner provides convenient control from anywhere using the free ConnectLife App (iOS and Android) and works with Google and Alexa. Airflow is strong and quiet because of the cross-flow fan design. The additional LED display on the front panel can be easily seen from across the room. The easy-to-install snap-together window kit fits windows 18" to 50" wide, helping preserve the external appearance of your home.
