

- Low-noise cooling system
- Remote control is included
- 2-year warranty
- 3 modes – cool, dehumidify, fan
- Quiet operation
- Drain-free operation
- Snap-assembly window kit

The Hisense HAP55021HR1W Portable Air Conditioner provides the utmost in performance more conveniently than ever.

Airflow is strong, cool and quiet because of the new cross-flow fan design. Additionally, the louvers automatically open to a preset position after the unit is powered on. To adjust the automatic louver, press SWING once. Press SWINF again to hold the louver at a desired direction. Preserve the external appearance of your home with the included, easy to install snap-assembly window kit for window 18" to 50" wide.

This Hisense portable air conditioner cools, dehumidifies, also functions in fan mode.
