Ⓐ Ⓑ
4 Basic Operation

Standby/On

When you first connect the main unit to the mains socket, the main unit will be in **STANDBY** mode.

• Press the ⏻ button on the unit or on the remote control to switch the unit ON.
• Press the ⏻ button again to switch the unit back to STANDBY mode.
• Disconnect the mains plug from the mains socket if you want to switch the unit OFF completely.

Auto Wake

• If a TV or an external device is connected (AUX / OPTICAL / COAXIAL / HDMI ARC), the unit will switch on automatically when the TV or the external device is switched on.

How to Enable Auto Wake

• Short press the ⊟(SOURCE) button and
  + (VOL +) button on the unit to enable or disable Auto Wake function.
• Auto Wake On: white and green LED blink twice sequentially. While in STANDBY mode, the RED LED is breathing.
• Auto Wake Off: white and red LED blink twice sequentially. While in STANDBY mode, the LED is in solid red.

Automatic Power Off Function

The unit automatically turns to **STANDBY** mode after about **15** minutes if the TV or the external unit is disconnected, switched off.

• To switch the unit off completely, remove the mains plug from the mains socket.
• Please turn the unit off completely to save energy when not in use.

Select Modes

Press the ⊟ (SOURCE) button repeatedly on the unit or on the remote control to select the **OPTICAL**, **COAXIAL**, **HDMI ARC**, **BT**(Bluetooth), **USB**, **AUX** mode.
The selected mode will show on the display.

Adjust the Bass/Treble Level

• Press **TREBLE +/-** button to increase or decrease the treble. (treble+5 / treble−5)
• Press **BASS+/-** button to increase or decrease the bass. (bass+5 / bass−5)
• After about 3 seconds, the unit will exit from bass/treble setting. The display will show the current selected mode. You may now press the VOL+ / - buttons to adjust volume.

Turn the Surround Sound ON/OFF

• Press the **SURR** button on the remote control to turn on the surround sound. Press this button again to turn off the surround sound.

Adjust the Volume

- Press the **+ / -** buttons on the unit or **VOL+/VOL-** on the remote control to adjust the volume.
- If you wish to turn the sound off, press the 🔇 (MUTE) button on the remote control. Press the 🔇 (MUTE) button again or press the **VOL+ / VOL-** buttons to resume normal listening.
Adjust the Brightness

- Press the **DIMMER +/-** buttons on the remote control to select brightness level.

Select a Preset Sound Effect

• While playing, press the **EQ** button on the remote control to select desired preset equalizers: **MUSIC, MOVIE, NEWS, SPORT, NIGHT.**
