

If you love movies, shows, sports and gaming, then the R7G 4K UHD Smart Hisense RokuTV is perfect for presenting your favorite entertainment in a whole new way. Featuring 4K Ultra High Definition resolution, the R7G packs incredible detail into an HDR-compatible display that boosts contrast and color. With Motion Rate processing tech, you can enjoy the fastest action without lag or judder. The Hisense Roku TV serves up a massive library of premium content at the touch of a button. Simple to set-up and easy-to-use, connect to the internet, activate, and start streaming

Roku TV OS

Watch. Stream. Play. Listen. Laugh. Repeat. Kick back and enjoy streaming movies and TV episodes, plus live-streaming news, TV, sports and more, across thousands of free and paid channels. Start streaming your favorite shows. Access your cable box or HDTV antenna. Even fire up your gaming console—all from the simple home screen.

4K UltraHD

Delivers more than four times the resolution of a regular 1080p high-definition screen. Along with over 8.3 million pixels, inside you'll find a powerful full array LED backlight at work creating a sharper, more colorful picture.

Wide Color Gamut

It's simple: The more colors you have and the more accurate they are, the more life-like your picture becomes. The R7G features Wide Color Gamut which increases the total array of colors on display. This means you can experience the full spectrum of colors with more intensity.

Dolby Vision™ • Dolby Atmos®

The fusion of Dolby Vision HDR picture and Dolby Atmos sound transforms your TV into an entertainment powerhouse. These image and sound technologies from the cinema, now brought together in the home, provide amazing realism that you'll see, hear, and feel like never before.

Motion Rate 120

Don't struggle to keep your eye on the ball—enjoy fast-paced sports, movies and 4K gaming without the lag. Featuring Motion Rate image processing technology, the R6 series keeps the thrills coming by making it easy to follow fast-moving action.

Auto Low Latency Game Mode

Enjoy a better gaming experience. In Game Mode, input lag is significantly improved, so your commands from the controller are virtually instantaneous on the screen. And with Variable refresh rate technology, the R7G is ready for the whatever the latest generation gaming consoles can throw at it.

Works with Alexa

Quickly access entertainment and control your TV with an Alexa device that you already own. With the touch of your or a simple voice command, turn on and off the TV, change channels, and much more.

Works with Hey Google

Quickly access entertainment and control your TV with a Google Assistant device that you already own. With the touch of your remote or ROKU mobile app, or a simple voice command, you can take control of your smart home, turn on and off the TV, change channels, and much more

Works with Apple HomeKit

The R7G lets people securely control connected Apple HomeKit accessories in their homes.

Bezel-less Design

The R7G is designed with a gorgeous bezel-less design to give you more viewable screen area.
