

4K ULTRAHD

The A6GX is the first TV ever to support the new XClass TV platform. XClass TV brings you all the joy of TV and none of the frustration. XClass TV is lightning fast, effortless, and personalized for you - which means less waiting, less searching, and more joy. Get to your favorite shows faster with quick-loading apps and a premium voice remote that allows you to search across apps. Our simple and intuitive interface makes finding what you want a breeze and brings all your favorites together. Plus, XClass TV remembers your recently viewed programs and gives you personalized recommendations based on what you like to watch. Hisense's A6GX series combines the latest smart platform with the picture quality you expect. 4K Ultra HD resolution and Dolby Vision HDR deliver crisp, detailed content, at the same time, keeping up with your all your entertainment needs.

XClass TV

Welcome to your joy! XClass TV brings you all the joy of TV and none of the frustration. You're greeted by a home screen that puts all your favorite apps in one place. Quickly pick up where you left off with your recently watched programs, plus get personalized recommendations based on what you watch. Get access to over 100,000 hours of free movies and TV shows. XClass TV is lightning fast, effortless, and personalized for you - which means less waiting, less searching, and more joy.

4K Ultra HD

Delivers four times the resolution of a regular 1080p high-definition screen. Along with over 8.3 million pixels, inside you'll find a powerful full array LED backlight at work creating a sharper, more colorful picture.

Dolby Vision™ HDR and HDR10*

Dolby Vision HDR and HDR10 transforms your TV into an entertainment powerhouse. The image technology from cinemas, now brought directly to your home, provide amazing realism that you'll experience like never before.

Premium Voice Remote included

Every TV comes with a voice remote that allows you to find what you want faster by using voice commands to change inputs and find the right title or genre without switching apps.

Lightning fast

Quick-loading apps means less waiting & more watching with your favorite apps like Netflix, YouTube, Hulu, Disney+. No install required.

Peacock Premium included at no extra charge for 12 months**

\$4.99 per month value included at no extra cost for customers who create an XClass TV account and Peacock account.

DTS® Virtual: X™

DTS Virtual: X technology is a scalable and versatile advanced post processing package that creates an immersive audio experience by virtualizing height content over traditional stereos.

Amazing Sound Quality

The A6GX is music to your ears—and eyes—thanks to built-in HDMI-ARC/eARC. Connect a soundbar or receiver via HDMI-ARC/eARC for the best sound quality possible, and easy synchronization of power and volume using your TV remote. Connect wired headphones for those times when you don't want to wake the house. Don't have a soundbar? Our TV offers features like bass enhancement, Dolby volume, and volume levelling to make the built-in panel speakers a premier sound experience.

*HDR viewing experience will vary by model, content availability and internet connection.
