The Hisense AP1022TW1GD Portable Air Conditioner is best suited for larger rooms (550 sq. ft. or less), delivering 10,000 BTU of cooling power. It provides three modes of comfort – cooling, fan, or dehumidifier – allowing you to choose the comfort you want at any time. The convenient drain-free design means you never need to worry about removing condensed moisture, and the inverter technology is super-efficient and ultra-quiet. The ConnectLife smart app and included remote control put easy operation right at your fingertips. Backed by a 2-year warranty on both parts and labor.
