3 Modes - cool, dehumidify and fan

Drain-Free Operation

Compact Size

Snap Assembly Window Kit

The Hisense AP0522CR1W Portable Air Conditioner is best suited for smaller rooms (150 sq. ft. or less), delivering 5000 BTU of cooling power. It provides three modes of comfort – cooling, fan, or dehumidifier – allowing you to choose the comfort you want at any time. The convenient drain-free design means you never need to worry about removing condensed moisture, and its compact size is just right for rooms with limited floor space. Smooth, intuitive electronic controls and included remote control put easy operation right at your fingertips. Backed by a 2-year warranty on both parts and labor.
