H9 Series 4K UHD HDR SMART TV

Model # 65H9E

I'm a fresh perspective

Exclusive ULED™ technology produces lifelike images through a combination of color, contrast and Ultra Motion technologies. With a variety of size classes to choose from, the Hisense H9 Series 4K ULED™ Smart TV offers a range of options for any room. Enjoy the big boost to colors and contrast provided by Wide Color Gamut and High Dynamic Range (HDR*) while built-in Alexa voice controls allows you to simply talk to control your Alexa-integrated smart home devices. Personalize your entertainment with built-in apps like Netflix, YouTube, Vudu and more and connect your favorite devices with multiple ports, and enjoy a sleek, slim design that's beautiful to look at even when there's nothing on.

ULED TV

Our patented ULED™ technology makes images stunningly vibrant and lifelike through an exclusive combination of color, contrast, resolution and ultra motion. The Hisense H9 Series features Wide Color Gamut, Ultra Motion™ and High Dynamic Range to offer you the absolute best in picture quality.

Wide Color Gamut

Wide Color Gamut technology expands the number of colors that the Hisense H9 Series can display, delivering a picture that comes to life. Our tech produces true-to-life details by displaying billions of colors, keeping you captivated in everything you watch, start to finish.

HDR

High Dynamic Range (HDR*) boosts the contrast of every image while delivering vivid, deep colors. With enhancements to the darkest and lightest areas of the picture, HDR* delivers an image that looks closer to life.

*HDR viewing experience will vary by model, content availability and internet connection.

Ultra Motion

Don't struggle to keep your eye on the ball—enjoy fast-paced sports and movies with Ultra Motion technology. With Ultra Motion, the Hisense H9 Series keeps the thrills coming by reducing judder during fast-moving action scenes.

4K Resolution/UHD Upscaler

With over 8 million pixels, the Hisense H9 Series offers a clearer, more defined picture when compared to Full HD. Breathe new life into older videos thanks to our UHD Upscaler which brings lower-resolution as close to 4K as possible. Get ready to experience your favorite movies, games and shows in a whole new way.

Hisense Smart

Personalize your entertainment with the Hisense Smart TV operating system. The Hisense H9 Series provides fast access to Netflix, YouTube, Fandango Now, VUDU, TikiLive and more through simple "one-touch" hot keys on the remote control.

Alexa-enabled

Make the Hisense H9 Series a part of your smart home by handing the voice controls over to Amazon's Alexa. Control your TV or ask Alexa to check your calendar, weather, traffic, and sports scores. Need even more control? Alexa can manage to-do's and shopping lists, plus control your compatible smart lights, thermostats, garage doors, sprinklers and more, all from the comfort of your couch.

Metal Frame Design

Our Hisense H9 Series features an ultra-sleek design with stylish metal accents, making it stand out in any setting. Striking the perfect balance between form and function, the Hisense H9 Series always looks great — even when it's not turned on.
