

Hisense

10K
BTU

HiSmart™ PORTABLE
AIR CONDITIONER

up to 300 sq.ft.

Model AP10CW2G

Key Features

- Portable AC has wheels on it to make it easy to move from one room to another
- Smart functionality that enables you to control the portable AC from any location with your smart phone*
- Works with Amazon Alexa for voice control
- Programmable temperature feature for better efficiency
- Multi-directional automatic air flow for maximum comfort
- Multiple functions for personalized comfort (Cooling, Fan, and Dehumidifier)
- I-Feel™ Remote Control included so you can operate the AC from across the room

Quiet Operation

With an ultra-quiet compressor, and a new, cross-flow fan design, airflow is both strong and quiet, achieving just 47 dB(A) with the fan set on "Low".

Convenient Dual Display

A second, front-facing temperature display is easy to read, even from across the room.

I-Feel™ Remote Control

The I-Feel temperature sensor built into the remote control senses its surrounding temperature and transmits the signal back to the unit, providing maximum comfort.

Warranty

2 Years Parts & Labor

Cool Comfort. Smart Design.

Staying cool just became easier with the **Hisense HiSmart™ Portable Air Conditioner (Model AP10CW2G)**. The smart technology that it has enables you to control the AC with your smart phone from where ever you're located. With cloud-based connectivity via your iOS or Android™ smart phone and the free HiSmart Air App**, you'll always be in control. Featuring a built-in programmable thermostat —which can help you save money— changing your settings is just a click away. This AC comes with an easy-to-install window kit for windows 18" to 50" wide.

* Smart phone not included.

**App requires either iOS 8 or higher or Android 4.4 or higher. Home WiFi router required for pairing between product and smart phone.
