H55 Series HD SMART TV

MODEL 32H5590F

I'm a perfect fit because I'm flat out awesome

The H55 Series HD Smart TV is an entertainment must-have that features an Android Operating System (OS) and works with Google Assistant so that you can control the TV without ever leaving your couch. Other details include DTS Studio Sound for crisp sound, Bluetooth® Audio to stream music without the fuss of wires, and a voice remote. The screen size make it ideal for smaller rooms—and budgets.

HD RESOLUTION

High Definition 720p resolution delivers a sharp and detailed picture for better clarity.

WORKS WITH GOOGLE ASSISTANT

The H55 Series has an Android OS with built-in apps and works with Google Assistant devices you already own.

DTS STUDIO SOUND

DTS Studio Sound creates virtual surround sound for a crisp and immersive audio experience.

BLUETOOTH AUDIO

Stream your favorite music to Bluetooth, soundbar, or headphone devices.

MOTION RATE 120

The H55 is built with motion in mind. Motion Rate image processing helps to reduce lags during fast-moving scenes

About Hisense

Hisense is a multinational consumer electronics manufacturer and one of the largest TV brands in the world. The company was established in 1969 in Qingdao, China and its US headquarters are located in Suwanee, GA.

Holding the #3 TV share position globally* and #1 TV share position in China** for 13 consecutive years, Hisense offers an innovative range of technology products that provide significant value to consumers.

Hisense products, including TVs, refrigerators, air conditioners, dehumidifiers, beverage coolers and freezers, are available globally in over 130 countries and regions.

The company is committed to advancing the consumer technology industry across North America and has dedicated R&D centers in Atlanta, GA; San Jose, CA; and Toronto, Canada to enable localized product development and innovation.
